SOARING INTO THE FUTURE

2017-18 Stewardship Campaign

It Takes All of Us

Our Unitarian Universalist values of compassion and justice are a source of inspiration and pathway to service in an increasingly complicated and intolerant world. What we do and what we stand for make a difference in our lives and in the world around us. Having a church that is tolerant, compassionate, and guided by reason is more important than ever. But it takes all of us to manifest the change we wish to see in the world.

Stewardship is defined as taking care of something we value and enabling it to grow. It is our hope that everyone who calls UUCA “my church” or “our church”, no matter if you are a longtime member, a faithful friend, or brand new to this community of hope, that all will contribute to “The 3 T’s” of Time, Talent, and Treasure. We need all three from all of us to help UUCA realize its vision of continuing to be a strong presence in our community. *It takes all of us.*

WE CHANGE LIVES

That’s a pretty bold claim.

We change our own lives when we open ourselves to mystery and seek the balance between wonder and reason.

We change our children’s lives when we engage in their faith formation—developing hearts and minds that respond with compassion and hands that serve.

We change the lives of those we encounter by living our Unitarian Universalist values and inviting them into our large circle of inclusion.

Together we sing, seek, demonstrate, learn, facilitate, wonder, investigate, and give generously of ourselves and of our resources. Because it takes all of us to create a community of care. It takes all of us to share in and support the many ministries of this congregation. It takes all of us to make a difference.

DID YOU KNOW?

Did you know that all UU churches are self-funded? In fact, our national body, the Unitarian Universalist Association, is supported by UU congregations so that they can turn around and support us with regional staff, strong liberal clergy who are held to standards of excellence, national opportunities for connection and growth, and a wider visibility in the world. Part of your contribution to UUCA funds our hope-filled faith throughout the world.

Your generous contributions fund the ministries of this congregation and help us to make a difference in people’s lives.

It takes all of us, together. Support our beloved church as generously as you are able and know that you are part of something much bigger than any of us; you are part of bringing more light, justice, and love to our world. Thank you in advance for your gifts of time, talent and treasure.
